He stated that he received a grass violation letter and that it was aggressive with both the amount and the three days. He questioned if there were any pictures taking at the time of The letter to prove high grass. He asked about 5 no parking signs placed on Read Street and if that was normal practice. He requested the one on the stop sign at the intersection of East Main and Read Street be removed because it is causing people to not stop at their cupcake stand.

Paul Huh presented a letter that was requesting his property at 226 West Main Street be evaluated for tax exempt due to it no longer being rented and is part of the church property. He was directed to Delaware County Real Property Tax to get the proper forms needed for this process. He was also appealing his water/sewer bill for that property because no one is currently in there and no water is being used. He was told that the Village law applying to the water/sewer usage states 0 – 13,000 gallons is a minimum charge of \$265.00. He said that water connection ran through the church and then to the house. The Board said they would have Joe Zazackie DPW look at how it is connected before making any kind of decision.
