Public Comment:

Kirk Stephens stated that there was an aggressive amount of no parking signs put up around his property at 84 Read Street. He was wondering about the placement of the one no parking sign at the corner of East Main Street and Read Street. He stated that it may confuse people who are coming to their cupcake stand and if that one can be placed differently. He was also wondering about the process to add a driveway to his property. He was told to get a driveway permit application and submit that to the clerk's office for review from the DPW Superintendent. He asked if Church Street was a public or restricted access road and he was told further investigating needs to be done on that matter.

John O asked if Messenger Hall now that it is owned by the Village will be able to be used for events or local Groups as a meeting/gathering place. The board stated that they are still working on it and will advise in the future.
